

Get  
your  
flu

vaccination  
in pharmacy  
this winter

#pharmacyforflu - Protect yourself and those that you love

- A flu vaccination is one of the best things you can do to protect your health this winter
- From September, most pharmacies will be offering an NHS Flu Vaccination to eligible people
- They may also be offering a private vaccination service for others
- Contact your local pharmacy to find out more
- Please always wear a face covering when entering a pharmacy
